Researchers discovered that most humans are just getting started with human evolution, which explains why most of them have an extremely low intelligence quotient, meaning they aren't very good with computers or other new technology. The highest average intelligence quotient in history is 10 (the highest average ever reported on this scale), according to a study by a University of Michigan genetics professor, but the difference in intelligence between humans today and that recorded in ancient times is only about 20 to 30 per cent. It took an average of 5,000 years and millions of years for intelligence levels to drop enough to reach the low-to-mid IQ range.. tammiyan full movie hd 1080p blu-ray tamil movies 80/20 tammiyan full movie hd 1080p blu-ray tamil movies 80/20.
